

NextiraOne hace un cálculo frío - se asocia con la red de salud ecológica

As a major supplier of communications solutions, including voice and data networks and Unified Communications implementations, to the Healthcare Sector, NextiraOne is already playing a key role in driving carbon reduction in a number of major healthcare projects in the UK including the Ja

About 2degrees

2degrees (www.2degreesnetwork.com) is a collaborative problem-solving and innovation service for sustainable business. We help organizations respond to the opportunities and challenges of climate change and the transition to a low carbon, resource-constrained economy. What makes us unique is that we facilitate peer-to-peer problem-solving and manage collaborative projects that harness the experience of
